Sub : Grant of recognition to start new college on non-grant basis.

Ref : Your application dt. 2/5/2005

Sir,

With reference to letter referred above, it is my pleasure to inform you that, the Executive Council of this University in its meeting held on 27/2/2008 has accepted the recommendations of the Academic Council on the basis of the reports submitted by Chairman, Local Enquiry Committee of the team, to grant provisional recognition to your institution to start the College of Bio-Technology at Nasik.

As per the new regulation issued by the Government of Maharashtra and norms of ICAR/University before granting final recognition, it is mandatory that, the institute should have 10/ha land in the name of the institute as per the land records of the revenue department, besides the land earmarked to Agriculture College and Agril. Engineering College of your institute. Further, all the infrastructure facilities required are to be completed and made available by the institution before the permission is granted to admit the students.

Inward No.: 976

You are therefore, requested to send your acceptance of this condition and your willingness to start the above mentioned college at your institute. If you are willing to start your college, you will have to deposit Rs. 5.00 lakhs by Demand Draft and Bank guarantee of Rs. 5.00 lakhs drawn in the name of Comptroller, MPKV, Rahuri immediately and submit the land record in support of your claim that the institute has 10/ha Agricultural land in the name of your institution.

The proposed college will be governed by the rules and regulation of the Mahatma Phule Krishi Vidyapeeth, Rahuri in operation and made from time to time. The brief outline of the conditions is also attached herewith.

After receiving your consent, Demand Draft and copy of the land records, you will be required to complete all the infrastructure facilities as required, for conduct of the classes. After hearing from you, a committee under the Chairmanship of Director of Instruction of the University will visit your institute and after receiving the satisfactory report, final permission to admit the students will be granted.

I hope, you will expedite the matter at your end, so as to start the admission immediately. It will depend upon your response and we hope that, your organization will be in a position to start the college and run it properly.

Wishing you all the best and hoping to work with you.
